Treasurer Update – Brian

Money remaining for Landscaping and the Garden

Funds remaining for Professional Development

We are spending money though so that is a good thing

If you still have needs, please contact us or Ms. Stone. It is OK to plan ahead. Also remember that you can spend up to \$100 because we do not have to pay sales tax.

Thanks to everyone for your patience with reimbursement. If you prefer paper submissions, you can put them in the PTA mailbox in the Office and Mrs. Fannin will collect those and get them to Brian.

Memory Pages/ 5th grade yearbook

We have printed and distributed about 14 class memory pages (grades K-4). These are memory pages made by parents or teachers to distribute to their class. If any teacher or parents whose class hasn't been done would like to do one please reach out to me for info on how to get one done.

Dina and Susan putting everything together for the 5th grade yearbook. They are working hard to get something together that will look nice and similar to a yearbook.

A new principal search is underway and parents are invited to attend the school improvement team meeting this week. April 14 at 12:45. (zoom link for meeting was put in chat) I am not leaving until the end of July.

Our restrictions during recess have been lifted a little. Students are doing a great job wearing face masks. Thank you to parents for reinforcing this at home.
